The Trainer's EDGE replaces the Trainer Development Conference as the required train-the-trainer course. This course is for all council, district, pack and unit trainers, Roundtable Commissioners/staff (both adult and youth). It must be renewed every three years.

This course is intended to "train the trainer" on behaviors and resources while offering hands-on experience in methods and media. Trainers should know that only practice can polish your presentation skills.

As more than half the course is built on learner participation, please bring with you a 10 minute presentation on any scouting subject. This will make your class work easier and more productive. Please notify the course director 1 week in advance the method of presentation you will be bringing (lecture/flipchart/flannel board/table top display/powerpoint, etc)
