[Frequently Asked Questions](#)

**Welcome and thank you for using Internet Rechartering from Boy Scouts of America. Internet Rechartering allows you to renew your unit's charter online and perform the following actions:**

- Select members from your existing charter roster,
- Promote members from another unit,
- Add new members,
- Update member information, and
- Print a summary of costs associated with the new charter.

Before beginning Internet Rechartering, collect all member information, including new member forms with the appropriate signatures. To complete the process, you must be connected to a printer to print the final report for signature.

If you are a new user, you can consult the [help](#) and the [tutorial](#) for instructions on using Internet Rechartering.

### **New member applications**

For additional adult or youth membership applications: [Membership Applications](#).

### **Adobe Acrobat Reader**

There are five stages in the Internet Rechartering process:

<b>Stage 1</b> Load Roster	You choose whether to load the unit information either from the council or upload your unit record information from PackMaster/TroopMaster, Rank N' File, Scoutmate, or ScoutSoft.
<b>Stage 2</b> Update Roster	You select the members you wish to renew, promote members, add new members, edit member information, and review the adult positions required in your unit.
<b>Stage 3</b> Check Roster	Internet Rechartering automatically checks the roster against the BSA rules for membership. You make any corrections necessary.
<b>Stage 4</b> Summary	You complete a final review of the membership roster and fees and make any final changes.
<b>Stage 5</b> Submit Roster	You submit your final roster and print your Charter Renewal Packet for submittal to your council.

Internet Rechartering is available until the Last Submit Date shown above.

You may leave the process and return later. Internet Rechartering will save your work, and you will begin at the beginning of the stage you were in when you left.

We recommend that you gather all the required information, including new member applications with appropriate signatures, before beginning this process. You must complete Internet Rechartering on a computer connected to a printer.

## Load Roster

To begin Internet Rechartering, choose one of the following options:

**Load Council Information**

<-- Click here if you want to load your roster with council information and do not have a recharter file.

**Upload Recharter File**

<-- Click here if you are prepared to upload your unit records from a recharter file from PackMaster/TroopMaster, Rank N' File, Scoutmate, or ScoutSoft.

**Warning:** Once you have chosen one of the above options, you cannot choose the other. If you wish to change your choice, you must call the council and ask them to reset your unit. You must then reregister as a first time user and begin the process again.

**Load Roster offers two options to unit processors: Load the unit roster from council information; or upload a rechartering file from unit-management software to match against the council information.**

# Internet Rechartering Update

## Step 1: Upload Recharter File

There are three steps to uploading your unit information from a recharter file:

**1. Upload recharter file.**

Once you upload the recharter file, Internet Rechartering will verify the file for approved version and date format.

You will be asked to review the chartered organization information to ensure the correct file is loaded. Internet Rechartering will match your member records to the council information. Exact member matches are processed automatically.

**2. Identify new members.**

Internet Rechartering will display all the names from the recharter file that do not have exact matches with the council information. You will be asked to identify which members from the recharter file are new members in your unit.

**3. Match renewing members.**

You will match the remaining members in the recharter file with the members in the council information and correct any differences.

To upload the file, click **Browse** and locate the recharter file for your unit in the dialog box. Click **Open**

Once you have located the file click the **Verify File** button. The system will read the recharter information from the file for verification.

Upload recharter file requires a valid file from unit-management software.

### Step 2 of 6 : Select Members for Renewal

[Update unit roster](#)

Below is your current roster.

All members are selected for renewal. Deselect the **Renew** check box for any members not renewing. When finished, click **Next**.

**Note:** Non-paid members should be automatically selected to renew. Fee status will be determined later.

Renew	Name	Street Address	Adult	Position	Person ID
-------	------	----------------	-------	----------	-----------

The first steps of Stage 2, following Load Roster, are to review the chartered organization information and determine if any members will not be renewed for the new roster.

# Internet Rechartering Update

Update unit roster allows the renewal processor to import adult and youth members added to the unit roster by the council into Internet Rechartering at any time. Work already done will not be changed or reset.

Members added will display with a person ID.

<input checked="" type="checkbox"/>	Bea Scout	PO Box 152079	Adult	1.ScoutParent	124526176
<input checked="" type="checkbox"/>	Roberto Scouter	PO Box 152079	Adult	1.Committee Member	17503

If an adult or youth record was entered online and then is added through Update unit roster the processor will know which record to remove by selecting the record with no person ID displayed.

Use Update unit roster to refresh the status of adult YPT completion.

## Step 2 of 6 : Select Members for Renewal

Below is a summary of the members who will be renewed with your unit and the members who will not be renewed.

If the information is incorrect, click **Previous** to make corrections. When the information is correct, click **Next Step**.

**NOTE:** You will be able to add members and change member information later in the process.

### Following members are selected for renewal.

### Following members will NOT be renewed.

No.	Name	Street Address	Adult/Youth

In Step 3 you have the option to Promote Members from another unit. To begin Promotions, click the **Promote** button. If you do not want to Promote anyone at this time, click **Next Step** to continue or click **Previous** button to return to Select Members for Renewal. When you have completed the Promotions process, you will be returned to this page.

When you click **Promote** you will see a Unit Selection screen that will display any units that are chartered to the same organization as your unit. If you are in a unit eligible to convert youth members into adult leaders (troop, team, crew, and ship only) you will see your own unit listed also.

By selecting the radio button shown below the unit you wish to view and clicking **Continue**, you will obtain the records available for this unit, if any. If you do not complete all promotions at this time, you will be able to return to this unit later. This process is available until your charter renewal has been submitted. You may select only one unit at a time.

If the unit from which you want to promote is not shown, you may access the unit's records by entering the correct Access Code, the Unit Type, and four-digit Unit Number into the fields provided. To obtain the Access Code you should contact the unit from which you will Promote Members. You may also contact your local council about this process if necessary. The entered unit must have the same expiration date as your unit.

[Previous](#) [Promote](#) [Next Step](#)

**Promote Members is a process designed to allow selection of adults and eligible youth from related units and conversion of eligible youth to adult assistant in the unit, when applicable.**

# Internet Applications Update

## Step 3 of 6 : Promote Members

This page has two parts. The first part presents a list of units from your community organization family from which you can promote members. You can only select one unit at a time. You may change your selection by clicking another radio button.

The second part allows you to promote members from a unit that is not in your community organization family. You must use the text boxes to enter the Access Code, Unit Type, and four-digit Unit Number and click the **Next** button. This unit must have the same expiration date as your unit. If you click a button for a unit in your community organization family, the text box option will disappear from the Screen. You can return to Promote Members later if you decide you require the text boxes or you want to select other units shown.

If your own unit is shown, it can be selected to promote an age-eligible youth member to an adult leader position (such as an 18-year old youth to assistant Scoutmaster).

Troop 0001

If you want to promote members from a unit that is not in your community organization family enter the Access Code, Unit Type, and four-digit Unit Number for this unit and click the **Next** button. To be valid, the entered unit must have the same expiration date as your unit.

If you do not have the Access Code, please follow your council's instructions.

## Step 3 of 6 : Select Members for Promotion

Source of Unit Promotion: Troop 0103

Below is the current roster for the unit from which you are promoting. Please select the **Promote** check box for any members you want to promote. This includes any age-eligible "youth" members from your unit who will become registered adults in your renewed unit.

The box is also to be checked for those being promoted who are non-paid members (fee status will be determined later). When you are finished, please click the Next button at the bottom of the page to save your selections.

If you see adults who are currently in your unit, it is because they are also in the unit you selected. They cannot be renewed through Promote Members. The renewal of your unit adults must be done in Step 2: Select Members for Renewal.

Promote	Name	Adult	Birthdate	Age
---------	------	-------	-----------	-----

Once the unit is selected and members eligible for promotion are listed, the promoting unit checks the Promote box to complete the promotion. The original unit does not renew the member if member is leaving unit.

[Home](#) | [Logout](#) | [Help](#)

Renew: 26 Adult, 24 Youth  
New: 1 Adult, 0 Youth  
Fees = \$676.00

Select the required unit contact response from the drop down box below to indicate that each non-renewed member in the grid below was contacted. Your choices on Contacted are Yes, No, or Don't Know. Make this selection before updating the reasons in the grid.

Has each non-renewed member been contacted (includes contacts made with Parent)?

To begin, click Edit by each name and then from the drop down select the most appropriate of the six reasons listed for the youth member not renewing as a youth member. When your selection is made, click Update. You may Cancel the selection, click Edit, and make another selection. You may change a selection previously made by clicking Edit, selecting another reason, and Update. If you wish to have record of the responses given, make notes before your unit renewal is submitted as this information may not be viewed after submittal.

In the data grid below are the youth members who have not been renewed. Use the data grid's scroll bar to view all members. **Click Edit and select one reason why each youth member did not renew.**

The reasons are:

1. Changed programs (e.g. moved from Cub Scouts to Boy Scouts or Boy Scouts to Venturing)
2. Too old for program (e.g. over 18 for Boy Scouts or over 21 for Venturing)
3. Changed units within the same city/town
4. Moved to another city/town
5. Stopped coming to meetings/lost interest/busy with other activities
6. Some other reason not listed above

Membership Inventory lets you select a reason for each youth member not selected for renewal, such as too old for program or moved away.

This information is shared with councils for follow-up with youth to encourage a continued Scouting experience.
