## **REQUIRED GEAR AT CHECK IN**

(SAFETY IS CRITICAL!!!)

- An CPSC approved Bike Helmet, closed shoes, gloves, and long pants are required
- Elbow, goggles, knee pads are permitted, but not required.
- Seat Belts and Safety steering blocks are required. Blocks should be adjustable. (ability to be unscrewed and re-attached)
- Unit leaders must have permission slips and medical release for boys.

## **PIT AND RACE CLEARANCE**

All Cubmobiles will be inspected by Race Staff.

- 
- They must conform to the attached instructions. See Flyer for specific Rules and Regulations for the STOCK class. Please don't manufacture SoapBox Derby racers, Cubmobiles are much simpler.

Map: The map indicates the activity areas. Upon arrival you will have to enter the parking lot from the EASTBOUND lanes of Badillo. All other entrances will be used by the race activities. Additional parking is located in the Teachers' lot at Glendora and Puente Avenues.

Building Plan: A Cubmobile plan is attached from the Cub Scout How-To Book. If you have questions, please email Michael Rojano at [CovinaTroop448@gmail.com](mailto:CovinaTroop448@gmail.com)

Safety Checklist: A safety checklist is attached. Scouts who do not conform to safety requirements will not be able to race until the issues are addressed.

Personal Comfort: Each family or den should have some type of shade. Chairs for spectators are definitely encouraged. Warm weather gear is important and we will race rain or shine.

Forms: You will need to provide the event staff with a signed "Informed Consent" (attached) and a Class 1 Medical document (Available on the Council Website or in the Scout Shop).

## **FOOD AND DRINKS**

- All registered racers will receive a free hot lunch and drink.
- Food will be available to purchase from 8:00 a.m. to 3:00 p.m.
